

Captain::Node::UniformLink  
::ComputeUniformICF

Captain::Node::UniformIntersection  
Link::ComputeUniformICF

Captain::Node::EnhancedMicro  
Link::ComputeICF

```
graph LR; A["Captain::Node::UniformLink  
::ComputeUniformICF"] --> C["Captain::Node::EnhancedMicro  
Link::ComputeICF"]; B["Captain::Node::UniformIntersection  
Link::ComputeUniformICF"] --> C;
```

The diagram illustrates a mapping or inheritance relationship. On the left, there are two white rectangular boxes with black borders. The top box contains the text 'Captain::Node::UniformLink' followed by '::ComputeUniformICF' on a new line. The bottom box contains 'Captain::Node::UniformIntersection' followed by 'Link::ComputeUniformICF' on a new line. On the right, there is a single gray rectangular box with a black border containing the text 'Captain::Node::EnhancedMicro' followed by 'Link::ComputeICF' on a new line. Two blue arrows point from the right side of the two white boxes to the left side of the gray box, indicating a relationship between the left-hand classes and the right-hand class.
