

Libraries/gookto_io
/includes/gookto_io
/InputSegment.hpp

```
graph TD; A["Libraries/gookto_io<br/>/includes/gookto_io<br/>/InputSegment.hpp"] -- self-loop --> A; A --> B["utility"];
```

The diagram consists of two rectangular boxes. The top box is dark gray and contains three lines of text: 'Libraries/gookto_io', '/includes/gookto_io', and '/InputSegment.hpp'. A blue curved arrow originates from the right side of this box and points back to its right side, forming a self-loop. A straight blue arrow points downwards from the bottom center of the top box to the top center of a second, smaller, light gray box below it. This second box contains the word 'utility'.

utility
