

Includes/captain/Util  
/ConcurrentQueue-Decl.hpp

```
graph TD; A["Includes/captain/Util  
/ConcurrentQueue-Decl.hpp"] --> B["condition_variable"]; A --> C["list"]; A --> D["shared_mutex"];
```

The diagram illustrates the include relationships for the file `Includes/captain/Util/ConcurrentQueue-Decl.hpp`. Three blue arrows point from the header file box to the boxes for `condition_variable`, `list`, and `shared_mutex`, indicating that the header file includes these three components.

`condition_variable`

`list`

`shared_mutex`
