The diagram illustrates a relationship between four methods of the `TiXmlComment` class. On the left, three white rectangular boxes are stacked vertically, each containing a method name: `TiXmlComment::Clone` at the top, `TiXmlComment::operator=` in the middle, and `TiXmlComment::TiXmlComment` at the bottom. On the right, a single gray rectangular box contains the method name `TiXmlComment::CopyTo`. Three blue arrows originate from the right side of the three white boxes and point towards the left side of the gray box, indicating that the `Clone`, `operator=`, and `TiXmlComment` methods all utilize or are related to the `CopyTo` method.
