

Captain::Node::UniformLink
::FlushRecordings

Captain::Node::UniformIntersection
Link::FlushRecordings

Captain::Node::EnhancedMicro
Link::FlushRecordings

```
graph LR; A[Captain::Node::UniformLink::FlushRecordings] --> C[Captain::Node::EnhancedMicroLink::FlushRecordings]; B[Captain::Node::UniformIntersectionLink::FlushRecordings] --> C;
```

The diagram illustrates a mapping or inheritance relationship. Two boxes on the left, representing different types of links and intersection links, both point via blue arrows to a single box on the right, which represents an enhanced micro-link. The boxes on the left are white with black borders, while the box on the right is gray with a black border.
